Description

We are seeking a full-time French-immersion teacher for our Early Childhood classes. We provide a French-immersion environment where children absorb the language as they learn through activities, projects, and play. A successful candidate is a native-level speaker of French, energetic, patient, and comfortable working with students ages 2-5. Permission to work in the United States is required.

Key Responsibilities:

- Plan and execute projects and activities that align with SLA's philosophy and curriculum
- Lead, or assist the lead teacher, and substitute for teacher absences when needed
- Supervise any and all aspects of the class during the school day
- Create a safe and enriching classroom experience that supports children's healthy development in language, social-emotional and physical abilities
- Contribute to the language immersion environment by using French as the main language of instruction

Required Qualifications:

- Ability to communicate clearly in English is required
- Native-level fluency in French
- At minimum, a Bachelor's Degree
- Excellent group management skills
- Documented experience working with Early Childhood-age children
- Highly dynamic personality and hands-on approach
- Commitment to SLA's philosophy and values as detailed in the "About Our School" section and on our website: www.slaschool.org.

Preferred Qualifications:

- Master's Degree in education, child development, or other related field (or equivalent experience) completed or in-progress
- Background in the arts or sciences
- Experience teaching mixed-age and -ability classrooms, especially with students ages 2-5
- Strong familiarity with progressive methods (Bank Street, constructivist, Montessori, child-led / project-based, Waldorf, Freinet, etc.)
- Existing NYS Group Family Day Care approval a plus
