

Science Language & Arts

ELA Teacher

Employee Classification: W-2

Schedule: Full-Time

Science, Language & Arts International School (SLA) is an independent school focused on project-based science, arts, and math and committed to a rich and rigorous multilingual education in French and Mandarin. Our Main Campus, located in the heart of Downtown Brooklyn, New York, serves an international and progressive community of families with students in Pre-K to Grade 5.

SLA seeks a seasoned, hands-on ELA teacher for our elementary school at our Main Campus. The successful candidate is an extremely fluent speaker of English with prior experience teaching in a multiple grade level ELA program. Our integrated curriculum has a strong emphasis on science and the arts through experiential learning, hands-on projects, games, and collaborative problem solving.

NOTE: Due to uncertainty regarding Covid-19, this position may be performed in-person or remotely. Some job responsibilities listed below may change to accommodate a remote working environment for teachers, including hosting Zoom meetings and facilitating online activities.

Responsibilities

- Plan and execute projects and activities that align with SLA's philosophy and curriculum for elementary-age children in multiple grade levels
- Supervise any and all aspects of the classroom during the school day
- Create a safe and enriching classroom experience that supports children's healthy development in language, social-emotional and physical abilities
- Ability to give presentable advanced lesson plans digitally

Required Qualifications

- Master's degree or current enrollment in a Master's degree program
- Impeccable fluency in English
Ability to communicate clearly in English
- Relevant teaching experience
- Commitment to SLA's philosophy and values as detailed in the "About Our School" section of our website, slaschool.org

Science Language & Arts

Preferred Qualifications

- Language proficiency in French or Mandarin is not required, but a plus
- Background in the arts or sciences with a focus on education
- At least two years experience leading group classes
- Current CPR Pro / Advanced First Aid Certification is a plus

Benefits

- Subsidized Health insurance
- Low-cost dental and vision insurance
- Membership in One Medical
- Membership in Teladoc
- Wageworks Pre-Tax Transit Benefit
- Ability to purchase Supplemental Life Insurance
- Retirement Savings Plan
- Discounted gym memberships

How To Apply

- Please submit a resume and a cover letter as your application. The cover letter should describe your educational philosophy, address how you would perform well in this role, identify key relevant experiences, and include your availability. Later in the application process, please be prepared to provide personal and professional references as requested.
- Resume and Cover Letter submissions should be sent to [hiring@slaschool.org](mailto: hiring@slaschool.org) and address your cover letter to the hiring manager. Please include the position title in the subject of your email.
- Only applicants deemed a good fit for this position will be contacted to schedule an interview.
